Streams offers a Higher Level of Living — distinct, quality homes with BC's finest mountainous views.

By Bill Kimmett

TWO YEARS AGO, A HIGHER STANDARD OF LIVING WAS INTRODUCED TO THE EMERGING COMMUNITY OF SQUAMISH, BC, WITH THE OPENING OF EAGLEWIND, A .25 HECTARE MASTER-PLANNED COMMUNITY. RESIDENTS AND INVESTORS ALIKE RECOGNIZED THE POTENTIAL OF THIS DEVELOPMENT WITH ITS PROMINENT DOWNTOWN SQUAMISH LOCATION, ACCOMPANIED WITH ITS WELL PLANNED DESIGNS, SOLID CONSTRUCTION, AND SUPERIOR CRAFTSMANSHIP. THESE DISTINCT QUALITIES RESULTED IN THE INSTANT SUCCESS OF TALON AND ROCKCLIFF, THE FIRST TWO PHASES OF EAGLEWIND.

New "Streams" Flow through Squamish.

In their quest to continue to bring high quality homes to Squamish, Solterra is proud to announce the upcoming release of its latest phase, Streams at Eaglewind.

With exteriors as dramatic and striking as the surrounding scenic vistas, these exquisite two and three-bedroom townhomes are sure to inspire. Taking cues from its lush surroundings, these homes will feature rich exterior materials with intricate wood detailing, spacious backyards, and views you have to see to believe.

Inspired, Cutting Edge Interiors.

Equally exciting is the gourmet kitchens that boast real wood cabinetry, natural stone counters, and premium Frigidaire appliances. Streams will also offer luxurious bathrooms featuring wood shaker-style cabinetry, stone bathroom counters, hand-set porcelain tile floors, and a beautifully framed mirror with designer-selected wall sconce lighting in the master ensuite.
