

## DOLCE AT SYMPHONY PLACE

A Home of Distinction in the Heart of Vancouver's Cultural Riches

Ideally located at Smithe and Richards in the heart of Vancouver's arts and entertainment district, Solterra's Dolce at Symphony Place is destined to become the premier downtown tower address.

Following in the successful footsteps of its sister tower Vita, Dolce offers Vancouverites the unique opportunity to become part of this visionary community. With its convenient central location, residents are just steps away from Robson Street, the Orpheum, the Queen Elizabeth Theatre, Library Square, the Vancouver Art Gallery, the Centre for the Performing Arts, the business district and so much more.

Dolce offers a range of beautifully designed homes to suit a variety of needs and lifestyles. From multi-level townhomes and urban loft-style homes, to sophisticated apartment residences ranging from 1 bedroom and flex to spacious 2 bedroom and flex plans, there's a Dolce home that's right for you.

Ensuring a fresh new look with its own distinct character and style, a total of 4 cutting-edge designer colour schemes are available - Champagne or Moonlight for the Townhomes and The Residences (floors 10-24) and Tuxedo or Diamond for the Lofts and The Private Collection (floors 25-32).

For those looking for opulence and sophistication, the ultra-luxurious Private Collection view suites boast stunning views, designer details and the highest level of craftsmanship.

Prospective homebuyers are encouraged to visit the Dolce Discovery Centre soon to ensure best selection of the remaining homes. The Discovery Centre will be closing in a few weeks time, so don't miss this final opportunity!
